

CAPABILITY STATEMENT

www.harborenterprisesllc.com

Harbor Enterprises, LLC is a SBA 8(a) and HUBZone certified firm with bonafide offices in Florida and Georgia, specializing in debris removal, construction, and steel manufacturing for the federal government. Harbor Enterprises is currently supporting contracts on seven different military bases throughout the Southeast and has completed over \$100 million in contracts on multiple continents. Harbor Enterprises has a \$20 million bonding capacity and self-performs a majority of work on all contracts to date with its own employees and heavy equipment. Harbor Enterprises maintains commercial contracting licenses in 7 states and operates its own 80,000 sq. ft. automated steel fabrication facility. Harbor Enterprises, LLC has in-house design capabilities and we work closely with an A&E team. The company's proven approach to project management enables it to meet and exceed contractual requirements on a consistent basis, which has led to superior past performance ratings on projects executed to date.
